RUGBY FIXTURES & TOURNAMENTS

Rugby is on the rise in Spain, driven by the success of the national Sevens team and the dedication of local clubs.

Teams like Marbella RFC frequently top national age-group rankings, and they, along with many others, are eager to host touring sides.

Whatever your level, we'll ensure your team receives the rugby experience that suits them best. We arrange competitive, well-matched fixtures for:

- Minis and juniors from U8 to U16
- Colts and youth U17 and U18
- Senior and Veteran sides
- Fixtures, triangular tournaments, festivals, and beach rugby
- Pre-season training camps for elite and academy teams
- Tournaments hosted in Marbella, San Roque, Estepona, Gibraltar, and Barcelona
- Bespoke events are available year-round.

And, of course, it wouldn't be rugby without the “third half”, or “tercer tiempo” as it is known here, where friendships are forged long after the final whistle.

West of Scotland U16 tour to Spain June 2025. Ade and Rugby Tour Spain delivered everything they promised to make this a memorable tour for our boys. Excellent hotel, with nice rooms and a good breakfast and dinner for the boys. Coach to pick up and drop off at the airport and take us to and from our games. Good quality rugby at some top clubs with great hospitality afterwards. Hotel was in a great location for the boys to relax at the pool or beach after the rugby. They also went above and beyond on quite a few occasions. Organising food for the boys when we arrived at the hotel at 1.30am. Organising a bagpiper to pipe the boys out for their game at Marbella and even sorting us somewhere to watch the URC semi-final. Everyone had a fantastic time and we would highly recommend Rugby Tour Spain and definitely use them again.

Michael Burke - West of Scotland FC U16 coach

Rugby Tour Spain absolutely nailed it. From start to finish, the organisation was spot on — great communication, smooth logistics, and everything ran like clockwork.

The rugby fixtures were competitive and well-matched, with proper referees and great facilities. But it wasn't just about the rugby (outstanding opposition) — the cultural experiences, team-building activities, and evenings out were perfectly planned and gave the players a real taste of Spain.

Accommodation was clean, safe, and ideal for a youth team. The staff went above and beyond to make sure the kids had a blast and the coaches didn't lose their minds!

Highly recommend for any team looking for a tour that balances rugby development with unforgettable memories. Already planning next year's return in a few years.

Daniel Wall - Bromley RFC coach
