RUGBY FIXTURES & TOURNAMENTS

Rugby is on the rise in Spain, driven by the success of the national Sevens team and the dedication of local clubs.

Clubs like Marbella RFC regularly top the Spanish national age group rankings, and along with many other teams here they are very keen to host touring sides.

Whatever your level, we strive to ensure you receive the best rugby experience possible. We arrange competitive, well-matched fixtures for both male and female players.

- All ages from U8 to U16
- Youths and Colts teams U17 and U18
- Seniors and Veterans
- Fixtures, triangular tournaments, festivals, and beach rugby
- Pre-season training camps for elite and academy teams
- We host tournaments in Marbella, San Roque, Gibraltar, Barcelona and Sitges
- Tailor-made tours available

Of course, it wouldn't be a rugby tour without the "after match" or "tercer tiempo" as it's known here. Friendships made and enjoyed long after the final whistle.

West of Scotland U16 tour to Spain June 2025. Ade and Rugby Tour Spain delivered everything they promised to make this a memorable tour for our boys. Excellent hotel, with nice rooms and a good breakfast and dinner for the boys. Coach to pick up and drop off at the airport and take us to and from our games. Good quality rugby at some top clubs with great hospitality afterwards. Hotel was in a great location for the boys to relax at the pool or beach after the rugby. They also went above and beyond on quite a few occasions. Organising food for the boys when we arrived at the hotel at 1.30am. Organising a bagpiper to pipe the boys out for their game at Marbella and even sorting us somewhere to watch the URC semi-final. Everyone had a fantastic time and we would highly recommend Rugby Tour Spain and definitely use them again.

Michael Burke - West of Scotland FC U16 coach

Rugby Tour Spain absolutely nailed it. From start to finish, the organisation was spot on — great communication, smooth logistics, and everything ran like clockwork.

The rugby fixtures were competitive and well-matched, with proper referees and great facilities. But it wasn't just about the rugby (outstanding opposition) — the cultural experiences, team-building activities, and evenings out were perfectly planned and gave the players a real taste of Spain.

Accommodation was clean, safe, and ideal for a youth team. The staff went above and beyond to make sure the kids had a blast and the coaches didn't lose their minds!

Highly recommend for any team looking for a tour that balances rugby development with unforgettable memories. Already planning next year's return in a few years.

Daniel Wall - Bromley RFC coach

ABOUT US

We have always enjoyed touring immensely as players, coaches and teachers, and we bring this experience, knowledge and understanding to every tour we create. We also add plenty of fun and enthusiasm to ensure you head home having had the best experience possible.

Our close relationships with local clubs and schools, together with our many years of touring, mean we can design tours with a truly personal touch, and we will be on hand throughout your stay to keep everything running smoothly.

Rugby Tour Spain organises dedicated rugby tournaments and festivals, including veterans, beach rugby and age-group competitions, in a variety of fantastic locations on the Costa del Sol in southern Spain and in Barcelona.

Rugby clubs across Andalucía, from Seville to Málaga, and in Barcelona, love hosting touring teams from all over Europe, so finding the right fixture at the right club is something we both guarantee and take great pride in.

We also understand how important the off-pitch experience is and have a range of fantastic options to help you make the most of your time with us.
